Utility District To Lease Hill Top As Recreation Area

Decision Will Be Made At Meeting Of Board On May 28

At their re-organization meeting scheduled for May 28, the board of directors of Truckee Public Utility District will take action on a proposal to lease the recently acquired 70 acres of Hill Top property and the facilities thereon for recreational purposes.

Offers have been made, Manager Daven Morey announced, but the names are being withheld pending action by the board on the application. The lease, if completed, will be for five years at $5,000 per year, with an option to renew at the end of the period. The lease would become effective June 1.

Under terms of the lease, now being prepared, the leasees would be prohibited from utilizing the facilities for anything but recreational purposes. They have proposed to use the structures now on the property to provide dormitories for 100 people, construct a new Pomo lift for skiers and build a swimming pool and other sports facilities. Even a bowling alley is being considered.

Recreational programs, Morey was told, would be planned with horseback rides, chuck-wagon breakfast and similar projects.

The action on the proposed lease will not be taken until the new board is installed and new officers selected for the coming year.

New directors include Cecil Edmunds and Lauren Russell. Former members who will be reinstalled are Dr. Ben King, Daniel Horman and George Kaspian.

Lake Booster Units Propose To Unite

TAHOE VISTA — T. L. James, president of the North Lake Tahoe Business Association this week urged members of this civic group and the Lake Tahoe Chamber of Commerce to attend the joint dinner meeting to be held at 7 p.m. Wednesday, May 27 at Nevada Lodge, Crystal Bay, when proposed plans of consolidation of the two organizations will be completed.

James said that the committees and directors of the two organizations are in favor of the unification because of the greater accomplishments, benefits to be realized for the whole area, working together.

All members are urged to attend the affair, making early reservations for the dinner.

WARNING IS ISSUED AGAINST PINE BEETLE

It has been noted by the Truckee Ranger District personnel that there is an abundant emergence of pine engraver beetles during this week.

The beetles are feeding on green pine slash and freshly cut small pine trees. After feeding the adult beetles will lay their eggs; their young emerge again in July and it is these beetles which will have gained sufficient strength and number to attack healthy young pine trees.

Every landowner or person cutting trees in this area is advised that prompt disposal of green pine slash by burning will greatly reduce the possibility of losing healthy trees in July. The Truckee ranger station also has information on effective sprays which can be used.

SENIOR SCOUTS WILL HOLD TAHOE MEET

Senior Roundup Patrol of the Sierra Nevada Girl Scouts Council will hold their next meeting May 22-24 at Camp Wasiu, Meeks Bay, Lake Tahoe when they will have a branding demonstration and group singing.

At the May 15-17 meet held at Galena Creek, Nevada the group discussed preliminary steps required prior to the Colorado roundup.

RENO BISHOP WILL BE TAHOE SPEAKER

TAHOE CITY — Bishop First Councilor, R. D. Lloyd of Reno, Nevada will bring the complete morning worship program to the Latter Day Saints Church at Tahoe City, Sunday, May 24 for the 11:15 a.m. service.

All members are urged to attend and all others who wish to attend are welcome.

TRASH FIRE CAUSE FOR ALARM AT HOTEL

A trash fire, dangerously close to the rear of the Alpine Riverside Hotel, was brought under control Tuesday morning at 10:30 o'lock by the Truckee Volunteer Fire Department. The flames were fanned by a stiff west wind but the department soon had the situation well in hand and there was no loss of property.

Bartender Held As Attempt Is Made To Rob Local Man

William Vangray, 44, Oakland bartender, was jailed Tuesday afternoon on suspicion of robbery after a bold attempt to rob Paul Doyle, telegrapher at the Southern Pacific depot of $86, officers said.

Vangray, who had obviously been drinking, apparently followed Mrs. Harold Welch of the St. Louis Cafe into the depot. Mrs. Welch was carrying the currency in her hand to purchase a money order but finding she did not have a sufficiend amount for her purpose, left the $86 with Doyle while she returned for the balance.

The suspect entered the trainmen's room of the depot to be greeted by the warning bark of Doyle's dog, Lady. Doyle demanded what the suspect wanted and Vangray answered, "A piece of lemon cream pie."

With that silly answer, he went into the private office, siezed the money which had been left on a counter and started out. Doyle shoved him to the floor and with the aid of Al Wakefield, the freight cashier and only other occupant of the depot, pulled him into the hallway.

Doyle summoned Deputy Sheriff Leo Zander and the latter took the culprit to jail.

Cards in the prisoner's wallet showed he was a member of the bartender's union at Oakland and a former lieutenant in the air force.

Patnoude Named To Deputy Position

Sheriff Wayne Brown this week announced the appointment of Preston Patnoude of Truckee as a deputy to succeed Roger Johns, who recently resigned.

Patnoude, who retired a little more than a year ago from the U.S. Navy after serving 20 years, worked here last summer as a patrolman for the forest service and planned to return to that work until the opportunitv arose to serve on the local sheriff's department.

The appointment of Patnoude brings the personnel here back to five deputies, the others being Roy Waters, Emery Lander, Leo Zander and Robert Schooley. This provides 24-hour coverage in the district every day of the week.

Mr. and Mrs. Patnoude own their home here and have two children in the high school. Mrs. Patnoude has been employed as school district health supervisor for a number of years.

ZANDER TO SPEAK AT WYETHIA MEET

Leo Zander, deputy sheriff, will be the guest speaker at the May 22 meeting of the Wyethia Club, convening at 8 p.m. in the club building.

Zander will talk on fire prevention, having spent 20 years as a Vallejo fire department engineer and in the city's fire department.

Mrs. M. C. King will preside when a new slate of officers for the coming year will be presented during the business session.

Refreshments will be served at the close of the program.

WHISKEY, BEER ARE LOST IN ROBBERY

Nick Nocero, Sacramento, reported to Deputy Sheriff Robert Schooley that his summer cabin in the Weeks Tract at Donner Lake had been forcefully entered during his absence, but that only two sleeping bags and a small tent were missing.

Two empty beer cans and two empty whiskey bottles, however, indicated that the culprits had enjoyed themselves while they were in the building.

Entrance was gained by breaking a hole through a rear screen and the window which was unlatched.

MARIE MORRISSEAU CHRISTENED HERE

Marie Ann, daughter of Mr. and Mrs. John Morrisseau of Truckee, was christened last Saturday at the Assumption Church, by Father John Grace of Al Tahoe.

Those attending were Marie's grand parents, Mr. and Mrs. Wm. Morrisseau of Sacramento, her God parents, Mr. and Mrs. Don Richmond of Sacramento and Mr. and Mrs. Bill Hicks of San Francisco.

Sunday, Marie was honored at an open house in Sacramento at the home of her grandparents.

Commission Gives Approval To New Routing For Road

Northerly Route Approved As By-pass For New Reservoir

The California Highway Commission today adopted a freeway routing for 6.9 miles of State Sign Route 89 in Nevada County between U. S. Highway 40 near Truckee and 1.9 miles north of Hobart Mills. This section of highway is to be relocated because of a section of the existing road will be flooded by construction of the proposed Prosser Creek Dam.

The adopted route takes a more direct northerly course than the present highway and eliminates an easterly loop in the existing road in the vicinity of Prosser Creek. It is the route recommended by State Highway Engineer G. T. McCoy.

A public meeting called by the Division of Highways was held in Truckee on March 17, 1959, at which the recommended route and possible alternates were discussed.

The commission announced in April that it was considering the adoption of a freeway route and the Nevada County Board of Supervisors was informed. Subsequently the supervisors adopted a resolution waiving a public hearing on the matter by the Commission.

The proposed relocation is planned as a cooperative project with the U. S. Bureau of Reclamation. Plans of the division of highways call for the construction of a modern two-lane highway with control of access and provision for an ultimate four lanes. Cost of the two-lanes is estimated at approximately $1,065,000 including rights of way.

Congress has appropriated funds for starting construction of the Prosser Creek Dam and reservoir and it is expected that storage of water in the reservoir can commence in the spring of 1961.

MRS. BURKE SEATED AS HEAD OF P. T. A.

Mrs. Frank Burke was installed as president of the Tahoe Truckee Parents, Teachers Association meeting held May 14, with Mrs. Ray Hintz as installing officer.

Mrs. Eugene Risden was seated as first vice president; Charles Sciutto, second vice; Mrs. Jack Farris, secretary; Mrs. A. Jensen, treasurer; Max Williamson, parlimentarian; Mrs. Robert Leamon, historian. Corsages and boutonnieres were presented to the new officers.

Mrs. Hintz and Sciutto spoke on the school accreditation report. Mrs. Lyle Gunkel, the outgoing president was presented with the Past President's pin in appreciation for her work in the organization, she responded with an expression of thanks for all who so kindly assisted her during the past year.

The pleasant evening closed with the serving of refreshments by Mesdames Gunkel, M. Cinani and C. Rich.

ATTORNEY ARRIVES AT LOCAL OFFICE

Attorney Robert A. Fugazi of Walnut Creek has arrived to open his law offices in the Wilson Insurance building on Commercial Row. He plans to be here permanently and early in June the family will move to the area. For the time being at least, the Fugazis will occupy a home at Kings Beach.

SODA SPRINGS HOME IS FOUND ROBBED

The summer home owned by W. S. Benier, Larkspur, located near Soda Springs was burglarized sometime during the winter, the owner reported upon his arrival there last week.

The owner told Deputy Sheriff Emery Lander that a window was broken open and a number of kitchen articles including two electric hot plates and electric iron, assorted dishes and utensils taken. Other articles were thrown about the house.

Borden Back—

Frank Borden who has been at Applegate, returned to Truckee.

To San Jose—

Mrs. Elgin Johnson and sons are now making their home at San Jose.

WANT ADS BRING RESULTS

SUNBEAMS

By WALTER M. BARRETT

Action by the board of supervisors in delaying action on the proposed redistricting of Nevada County is commendable. No one can seriously deny the necessity of changing the districts to meet growing needs, but under the scheme proposed by the sponsors of the plan, basing the redistricting purely upon a population basis, it is plain to see that many rural areas would find themselves in an unenviable position. The plan proposed would make Grass Valley the center for four districts, while the fifth district, which embraces Truckee would not be changed materially. On a basis of population, this is not unreasonable, but on a basis of need, it's clear to see what could happen. We will not oppose an equal redistricting of the county, but we would like to make it clear and plain that we believe each area of the county, regardless of population, is as important as another, and should be given every possible consideration.

Spring Dance Will Celebrate Paintup

Concluding the cleanup, paintup program sponsored by the Truckee Donner Chamber of Commerce, the Truckee Fire-ettes Saturday will stage a dance at the Veterans Memorial Building and the public is invited to attend.

An orchestra has been employed for the occasion and refreshments will be served.

This Spring Festival is being given as a benefit for the Truckee Volunteer Fire Department. Mrs. Connie Kammerer is president of the Fire-ettes and heads the committee in charge.

MOBILE X-RAY WILL BE HERE ON JUNE 4

The mobile x-ray unit, sponsored by the Nevada and Placer County TB Association and financed through Christmas seal sales, will be in Truckee June 4, Mrs. Fosten Wilson has been advised.

The unit will be stationed in front of the post office between 1 and 4 p.m. and between 5 and 8 p.m.

The following day it will go to Lake Tahoe and will be at Kings Beach from 11 a.m. to 1 p.m.. and at Tahoe City from 4 to 7 p.m.

Everyone is welcome to have the important chest x-ray and emphasis is placed on school personnel, food handlers and bar tenders who are urged to take advantage of this opportunity.

No charge is made for the service.

MRS. GAFFIELD WILL OCCUPY SON'S HOME

Fred Perry of Tahoe Valley has bought the A. Nieri house here which will be occupied by his mother, Mrs. Maude Gaffield, in the near future. Mrs. Gaffield retired recently after many years as hostess at the Flycasters Club.

Nieri, earlier in the year said he planned to return to his native Italy.

MEMORIAL SERVICES PLANNED BY LEGION

Memorial Day services will be conducted by members of Truckee Post No. 439 American Legion at the local cemetery, meeting first in the Veterans Memorial Hall at 9:30 a.m. on Saturday, May 30.

At Tuesday's meeting the uniform agreed upon for the service is a white shirt, dark tie and American Legion cap. All members of the post are urged to take part in honoring the dead.

LIONS MEET

Members of the Truckee Lions Club Tuesday will go to Reno for a 7:30 a.m. breakfast with the Reno Arch Lions and then on Thursday will visit the Grass Valley Club. This was decided at last night's meeting presided over by Frank Fox. Visitors included Dick Denton of Oakland and Robert Fugazi and Roger Woodworth of Truckee.

Truckee Wins In First Game; Go To Fallon On Sunday

Robinson Stars On Mound As Mountaineers In Top Place

Craig Robinson allowed only three hits and struck out 18 batters in Sunday's Sierra-Nevada Baseball League game at Verdi and the Truckee Mountaineers won 16 to 1.

Robinson's brilliant pitching was backed up well as the the Truckee crew, under the management of Al Wakefield pounded four Verdi hurlers for a total of 12 hits, including a home run by Pello, Truckee 3rd baseman and three doubles by Oates, Cooper and Craig Robinson.

One of the hits off Robinson came in the first inning when George Riolo smashed out a baseempty homer for the home team's only score.

Bob Oates, Truckee catcher collected three for six at bat while Robinson and Ed Frates each had two hits. Truckee got six of the 16 runs in the second inning, five more in the fourth, two in the seventh and three in the eighth.

Next Sunday the Mountaineers travel to Fallon to meet the Admirals who lost last Saturday to the Bandits of Babbitt by a 12 to 6 score.

SIERRA-NEVADA LEAGUE

Unofficial Standings

Team	W	L	Pct.	GB
Babbitt	1	0	1.000	....

Sunday — Babbitt Bandits at Lovelock Merchants, Fallon Merchants at Yerington Eagle Club, Truckee Mountaineers at Fallon Desert Admirals, Verdi Vandals bye.

CLEMENTS BIDS LOW ON ROUTE 89 WORK

A low bid of $168,500 was received today by the division of highways on a project to resurface portions of State Sign Route 89 in Eldorado and Placer Counties, between 7.9 miles north of Tahoe Valley and 5.5 miles north of Tahoe City.

Today's low offer was submitted by Clements Construction Co. of Fremont and was one of 5 bids received.

The project will consist of placing plant-mixed surfacing over the existing surfacing to improve the riding qualities and to increase the structural strength of the roadbed. Shoulders areas will be shaped to conform with the resurfacing.

Work on this project will begin within 15 days of notification to the contractor that his offer has been approved, and must be completed in 55 working days thereafter. No detours will be available and traffic will be permitted to pass through the construction area with a minimum of inconvenience and delay.

VETERANS OFFICER VISITS HERE FRIDAY

The Nevada County veteran's service officer will be in Truckee, May 22, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

HAWAIIAN LUAU IS PLANNED BY SQUAWS

TAHOE CITY — At a recent meeting, the Tahoe Squaws announced plans for an Hawaiian Luau to be held at Nevada Lodge, Friday, June 12th. Ross Price and his combo will play for the affair from 9 to 2 and an Hawaiian buffet will be served at midnight.

The event will be open to the public and the price $2.50 per person. Mrs. Jim Brehler is chairman and she suggests everyone come in native dress if possible. Tickets may be obtained from any Tahoe Squaw member, or at the door.

Television Rights For Olympics Are Awarded To ABC

At their meeting in San Francisco last Thursday, the California Olympic Commission voted unanimously to award the television rights for the 1960 Olympic Winter Games at Squaw Valley to the American Broadcasting Company. Vice Chairman Andrew Hauk of Los Angeles presided in the absence of Chairman Charles Blyth.

The action was recommended by the VIII Olympic Organizing Committee after a thorough study of the offers.

From New York, Thomas W. Moore, vice-president in charge of programming, said ABC will telecast "live" and with tape, each of the 11 days of the games, Feb. 18 to 28.

More than 1,000 athletes from 34 nations will participate in the program.

Network officials said they could not disclose the amount paid for the TV rights. The television receipts go to the organizing committee of the games to help defray the expenses.

He said the U. S. TV would be national and no areas would be blacked out.

In other action, the commission voted the Union Oil Company exclusive oil and gasoline distribution rights on the state controlled property in Squaw Valley.

Fair To Good Luck As Fish Season On

Although the opening day of the stream fishing season in this district did not prove spectacular, many good catches were reported and for the most part sportsmen were rewarded for their efforts.

Game Warden Erwin Single described the opening weekend as "fair to good".

The weather was a bit too cold to permit comfortable angling and although there were hundreds of fishermen lining the various streams, only the more hardy stayed for limits.

It is anticipated that as the weather warms, the fishing will improve, as the open winter and large plants gave assurance of more than average fish in the streams and lakes.

ADMINISTRATOR TO MEET HERE FRIDAY

School administrators of Placer County will meet Friday, May 22 in Truckee for the purpose of viewing the exhibit by the California Correctional Industries which will be on display at the high school gymnasium between 10 a.m. and 6 p.m. John S. Corbin, local distrist superintendent, will be host at the gathering.

The exhibit includes a complete family of educational toys and instructional material and tubular steel and wood school seating equipment produced by the correctional industries.

The public is invited and urged to visit the gymnasium and see the unusual and interesting exhibit.

Following luncheon at Smarts, the administrators will visit Squaw Valley before returning to their respective homes.

BABY BORN HERE TO SPORTS CHAMPIONS

Jay Charles Jensen, eight pounds and two ounces, arrived at 9:15 a.m. Saturday at the Tahoe Forest Hospital. He is the son of the famous Jackie Jensen, last year's most outstanding player in the National Baseball League and the former Zoe Ann Olsen, international Olympic swimming champion. The family lives at Crystal Bay.

NEW DETOUR WILL BE PROVIDED AT BOCA

W. R. Green, resident engineer for the California Division of Highways announced Wednesday that traffic will be shifted to two new lanes at the east end of the freeway project near Boca to start Friday, May 22 and to continue for several months.

Traffic will be routed to the new lanes located between one half mile west of Boca and continuing 1½ miles west of Boca.

DOCTOR RETURNS

Dr. and Mrs. L. D. Nelson have returned from a two month's trip to southern California where the doctor fully recuperated from a major operation last February. He has resumed his practice here.

School Bond Issue Passes By Margin Of 27 Votes Here

Light Turnout Of Voters Is Recorded; Felte Is Reelected

By a narrow margin of 27 votes, the $390,000 school bond issue in the Tahoe Truckee Unified District was passed Tuesday.

It was one of the lightest turnouts of voters for such an important issue ever recorded in the district. Of the 1855 qualified voters, 486 or approximately 26 per cent went to the polls.

With a two-thirds majority necessary, the final unofficial count showed 351 votes for the bond issue and 135 against its passage.

In the same election, Jack Felte, president of the governing board, was returned to office without opposition, there being only three scattered writeins throughout the district.

The vote by precinct showed the following results:

Donner Summit: yes 23, no 6.
Kings Beach: yes 157, no 46.
Floriston: yes 21, no 5.
Tahoe City: yes 62, no 41.
Truckee: yes 88, no 37.

The money received from the bonds will be used principally for badly needed classrooms at Kings Beach and at Donner Summit, Superintendent John S. Corbin said. The issue will bring the district to its maximum bonding capacity.

Three Injured As Auto Overturns

An 81-year old Los Angeles man, Lewis Abbott was critically injured Tuesday morning at 11 o'clock when the car he was driving went out of control half a mile east of Truckee and overturned on the highway.

Injured less seriously were the two passengers, Martha Mager, 78, Huntington Beach, and Mary Way, 71, Los Angeles.

Sergeant Frank Snyder of the California Highway Patrol said Abbott apparently lost control of his vehicle when he attempted to adjust the car after passing two other cars and a truck. The car ran into the shoulder on the left side of the highway, swerved across the road onto the right shoulder and then overturned.

The fire department, which was on call at the time to extinguish a trash fire back of the Alpine Riverside Hotel, was summoned to wash the gasoline off the pavement to prevent a fire at the scene of the crash.

All the injured were taken to the Tahoe Forest Hospital by Truckee ambulance.

TWO EVENTS ARE PLANNED BY CLUB

TAHOE CITY — Bill Briner was elected president of the Tahoe City Golf Club at a meeting held Monday evening, May 18 at the clubhouse.

Two events of special interest to members are scheduled. On May 30th, a match with Pittsburg is to be held at Tahoe City with a barbecue highlighting the event.

On June 7th, there will be a get acquainted tournament for all members and lunch will be served.

The officers are hoping for a 100 per cent members turnout at these two affairs to start the season off with a bang.

THREE ARE HELD ON CAR THEFT CHARGE

Three ex-felons, all with extended records, were apprehended by State Patrolman James Stamback four miles west of Truckee Monday night and held on car theft charges.

The local patrol office was alerted by the Sacramento Police Department who reported the theft of the car there.

Those jailed were Frank Bryan, Jr., 40, Sacramento, William B. Collins, 44, Box Elder, Montana, and Clifford Harmon, 38, Knoxville, Tenn.

Stamback and Deputy Sheriff Leo Zander, who booked the trio, said they were very uncooperative.

FIVE MEMBERS ARE ADDED TO REBEKAHS

Naomi Rebekah Lodge No. 2 held a formal initiation for five new members May 13. The new members are Lona Boren, Mae Baker, Dorothy Goldsmith, Kate Fudge and Cally Kydd.

On May 24th. from 3 p.m. to 6 p.m., Naomi Lodge is having a tea and reception for district 21 in honor of Lenore Vind. It is to be at the home of Maggie Avila at Glacier Gap. Anyone needing transportation is asked to contact Dorothy Slack.

More than 150 guests are expected and Fredna Smith and Georgianna King are very busy fixing the decorations while Elsie Single and Dorothy Slack are in charge of the refreshments. Noble Grand, Dorthy Slack, and Laura Horman are to be in the receiving line.

DONNER DOINGS

BY VIRGINIA O' BEAR

Mr. and Mrs. Robert Dudley of San Francisco, were up this weekend to get away from their busy city life. They recently bought a home near the west end of Donner Lake and plan on spending most of their weekends here this summer.

* * *

There are lots of lights on at night across the lake from where we live so that means a lot of our summer residents are up now. Some day, when I have some spare time, I will go visiting and find out who the people are and where they are from. Then I will be able to report in this column, with hopes that our permanent residents will find time to get acquainted with these people and make them feel welcome.

* * *

I have been talking with some of our new home owners here at Donner and it is surprising to find that very few know about our Rural Burning Permits. It is very important that we cooperate with the Division of Forestry, not only to save the natural resources but to protect our own homes and businesses as well. Each person should become acquainted with their new neighbor and inform them about the permits and also give them the telephone number of the Donner Lake Volunteer Fire Department. The number is Luther 7-3331.

* * *

Richard Swanson is back on the job for the summer at Armstrong Realty. Both Dick and his wife had major surgery this past winter but says they are doing fine and feel twenty years younger. (Guess I'll have to get the name of his surgeon.) Mrs. Swanson will not be up to Donner Lake much this summer as she is taking a post graduate course at Sacramento State College.

* * *

Everywhere you look here at Donner, someone is either building or remodeling. Mr. and Mrs. R. H. Slack have a good start on their new home but Hank got the flu bug this week so it slowed down production, somewhat.

* * *

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will have their business and dinner meeting at Donner Summit Lodge this Thursday evening at eight o'clock. Members will be notified but everyone is welcome. Anyone desiring transportation to the dinner may contact Mrs. Charles Sciutto, Mrs. Robert Pankoke and Mrs. Charles O'Bear, hostesses for the month. Members having birthdays in May please bring your gifts. It is very important that all members attending this meeting as each one should express their opinions concerning our auxiliary and the Donner Lake Regatta. We want to have a very successful barbecue and Regatta and want everyone to participate, if they wish to and have the time.

* * *

Even through fishing in the streams started Saturday, it made very little difference around Donner Lake. People were out in boats, sitting and standing on floats and piers and even saw some young boys wading out to their knees. They seemed to be getting their limits again and I hear this has been the best year for quite a while, at Donner.

The division of highways announced that work was resumed May 14 on the project to construct two loadometer stations—one located on State Sign Route 49 (Nevada County), approximately 0.6 miles west of Nevada City; the other is located on State Sign Route 89 (Sierra County), 0.5 mile west of Sierraville. Operations were suspended in January for the winter.

This project was started last December by G. S. Herrington of Auburn, and was approximately 48 per cent complete at the time operations were suspended.

SIGNALS IMPORTANT IN DRIVING VEHICLES

Signal your intention before making a lane change or a turn when other vehicles may be affected and cut down your chances of getting into an intersection or side-swipe collision.

This is the advice issued by the California Highway Patrol which adds that signals must be given continuously during the last 100 feet before changing the course of travel.

"One of the basic reasons for signals is to let the other driver know in advance what you plan to do thus enabling him to adjust his driving accordingly," commented Bradford M. Crittenden, Commissioner of the Highway Patrol.

"Although approved signal devices may legally be used at any time, generally speaking it is safer to use both hand and arm signals and electrical signal devices during daylight hours and electrical signal devices at night.

" Positive signals properly given will aid the smooth flow of traffic and help prevent collisions involving turning movements."

COUNTY PRISONERS MAY BE HELD HERE

NEVADA CITY — The Nevada County Jail, remodeled in 1936 to house not more than 24 male and three female prisoners, now has a record breaking list of 35 male prisoners.

Sheriff Wayne Brown said he is concerned over the problem which has become worse.

If the present jail population becomes more acute the sheriff said he may be forced to move a few prisoners to the security ward in the Nevada County Hospital or arrange for the Truckee branch at the eastern end of the county to hold prisoners for longer periods before transfering them to the local institution.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than 5:00 p.m. on the 5th day of June, 1959, for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

No bid will be considered unless it is made up on a form provided by the the owner and accompanied by a certified check, cashiers check, or bidder's bond in the amount of One Hundred ($100.00) dollars made payable to the owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

JACK FELTE
President of the Governing Board
Tahoe-Truckee Unified School District.

DONNER SUMMIT NEWS

BY DONNA POWERS

SIT MEETS

When the ladies of the Summit Sit found it difficult to find anyone among their membership who had a home available for their regular meeting, the group decided to use the Donner Trail School. Gracious hostesses, Francis Dragoo of Big Bend and Judy Hambridge of Blue Canyon Airport, served a delicious high calorie cheese cake to the ladies who came. Some of those whom we nearly always expect to see at the Summit Sit, and present this time were: Norie Heckle, Mary Williamson, Valeta Mason, Zona Madden, Gloria Read, and Donna Power. The group was very happy to welcome Jeanette Durfee of Blue Canyon and Bess Hoffman of Cisco Grove store who are new comers to these handiwork sessions.

CORBIN SPEAKS

At a recent meeting of the Donner Summit Community Club held in the Donner Trail School, John Corbin Tahoe-Truckee School District superintendent discussed the current school bond issue which was voted on May 19. Corbin pointed out that should the bond issue pass the Donner Trail school will be the site of a new multipurpose room and an additional class room to take care of expected enrollment increase in this area. In the past there has been some thought of abandoning the Donner Trail School and transporting all students to Truckee Elementary School. With the addition of this class room space it will not seem practical. The five acres on which the school now stands may in the future be too small an area. If this time does come the forest service has said they will grant more property to keep the facilities adequate. The enrollment this fall for the Donner Trail School School is very uncertain and if the number is large the sixth grade as well as the seventh and eighth grade students will be transported to Truckee schools.

SADDLE ROOM OPENS

The current new managers of the Wofford's Motel at Kingvale are inviting all their friends and neighbors in the Donner Summit area to help celebrate the opening of their recently completed Saddle Room bar. Two dates June fifth and sixth have been set to give everyone an opportunity to come between the hours of 8 p.m. and 2 a.m.

FISHING SEASON

This weekend was the opening of the stream trout fishing season. Our local South Fork of the Yuba River was lined with fishermen of all ages. Many were lucky, others were not, as the trout haven't forgotten a trick. Many fishing licenses were sold in the area, and if you don't have yours, get it.

CRACKDOWN STARTS ON ERRANT DRIVERS

SACRAMENTO — (CNS) — If there was any doubt that Robert I. McCarthy, director of motor vehicles, meant it when he said he would crack down on errant drivers, it has been removed.

During the first 22 days of the new crack-down policy, 5,190 California drivers had their licenses suspended. This compared with a total of about 11,000 suspended during all of 1958.

"Let this be the answer to all those who wondered if we meant business when we called this an all out war on automobile accidents," McCarthy said.

The new policy of the department actually has been on the law books for several years. However under the previous administration, many of the violators merely received warnings.

The law provides the more serious driving violations — reckless, hit-run or drunk driving — are two-point violations. Simple speeding, running a red light or stop sign, changing lanes illegally or other lesser "moving violations" are one point.

Any driver with four points in the last year is subject to having a license suspension for a minimum of five to 10 days.

"Four points and you are afoot," McCarthy warned. "Probation for these violators is now a very rare thing."

KETMAN TELLS CLUB OF WORLD TRAVELS

TAHOE CITY — Tahoe City Rotarians attending the May 12 dinner meeting at Tahoe Inn were treated to a second brand of beer within a week and viewed another film, Sports Highlights of 1958 which had been produced by the brewing company.

Ket Ketman, a local realtor, was the last member to be welcomed home after the winter absence. Ketman with his wife had visited the Far East during the winter, visiting the Philippines, Indonesia, Hong Kong and Japan where Ketman visited the Rotary Clubs.

At the Japanese club no English was spoken until singing began and one rotary song was sung in English. Ketman said he received a hearty welcome.

Visiting Rotarians were Fred Baker of Brockway and Jack Brubaker of Walnut Creek. Martin Spitsen presided over the 35 members attending.

CANYON RANCH WINS PRIZE IN PARADE

RENO — A float entered by James Canyon Ranch Creamery, which distributes its dairy products in the Truckee area, won a first prize in the colorful parade climaxing the silver anniversary of Helldorado in Las Vegas over the weekend.

The James Canyon float, which was entitled "Legend of the Nevada Dairy", featured a life-like dairy cow. It was judged the best float representing business firms in Las Vegas with 19 employes or less.

LOCAL OFFICER OF O.E.S. MAKES MANY VISITS IN DISTRICT

Deputy Grand Matron Elma Philippi of the 13th district has been making her official visits to the various chapters of her district this month.

On April 6th she visited Aurora Chapter, Grass Valley and was honored by Worthy Matron Freda Thomas and Worthy Patron Fred Thomas and their officers. The work of the order was exemplified by the chapter. She was presented with a carry corsage made up of snapdragons and iris by the chapter. The Star Points made the presentation to Mrs. Philippi, presenting a gift in a beautiful basket of flowers and expressing many good wishes. Chinese parasols and spring flowers were used for decorations in the banquet room.

On April 9th she made her official visit to Placer Chapter, Dutch Flat with Worthy Matron Bea Edwards and Worthy Patron Tom Edwards and their officers greeting her. After the exemplification of the ritualistic work the Star Points made a presentation to her using the theme April showers. Her carry corsage presented by the chapter was made up of pink carnations and tiny parasols. In the banquet room where a smorgasbord was served the decor was pink lace parasols and spring flowers.

April 14th a visit was made to Bethany Chapter, Colfax with Worthe Matron Caroline Johnson and Worthy Patron Harvey Johnson and their officers exemplifying the work for the Deputy Grand Matron. Her carry corsage was in the form of a varicolored parasol. The Star Points in their presentation carried out the theme of an angel and a star. The banquet room was attractively decorated with Chinese parasols and spring flowers.

Mrs. Philippi was greeted at these visits by the matrons and patrons of the chapters in her district and many of the members from the surroundings chapters. She was accompanied on her visits by members of Truckee Chapter.

Last week Mrs. Philippi accompanied by her husband Wayne Philippi attended a reception in Sacramento honoring Hazel Forest, Deputy Grand Matron of the 19th district; the official visit of the Worthy Grand Matron and Worthy Grand Patron in Richmond; the reception of Deputy Grand Matron Katherine Moore of the 30th district and the official visit of the Worthy Grand Matron in San Francisco.

Visits were also made recently to Sierra Star Chapter in Sierraville and Pelton Chapter in Camptonville where candidates were initiated and to Susanville for the official visit of Rita Train, Deputy Grand Matron of the 4th district.

CRIME ON DECLINE, STATE REPORT SAYS

SACRAMENTO—(CNS) — Crime was on the wane in California during 1958, with less of an increase in crime than there was in population, Attorney General Stanley Mosk reported today.

Crime rates increased about 3 per cent over 1957, while the population gained about 4 per cent, Mosk said.

"Considered the fact that during the two previous years the rates of increase were close to 12 per cent—for each 100,000—the 1958 picture showed a lessening in the general trend of rising crime rates which has been observed since 1955," Mosk said.

Of the seven major categories of felonies, burglary, wilful homicide and forcible rape had the highest increases. There were decreases in the rates of grand theft and auto theft.

Despite the lesser increase in crime, the Department of Corrections said the commitment rate to state penal institutions showed a higher increase in 1958. It jumped 12.7 per cent over 1957. However, the number of crimes reported varies considerably from numbers committed to prisons as some are not apprehended, not convicted, or not tried. Charges are reduced in many cases, with county jail terms resulting, and many are placed on probation.

The attorney general's report (the full annual report will not be printed until late June) showed crimes in the seven major categories totaled 208,202 during 1958, as compared with 194,038, in 1957. This amount to a rate of 1,411.9 per 100,000 in 1958, as compared with 1,307.4 in 1957.

Increases included: wilful homicide, 5.7 per cent; robbery, 4.6; aggravated assult, 1.2; burglary, 5.8; and forcible rape, 5.5. Grand theft was down. .2 per cent and auto theft was down 1.3 per cent.

FAMILY NIGHT WILL FEATURE MEETING OF TAHOE LAKE PTA

TAHOE CITY — On Thursday, May 28, the Tahoe Lake School P.T.A. will hold a family night and pot luck dinner in the new multi-purpose room of the school for the last meeting of the year. The dinner will start at 6:30. Jim Reynolds, principal, will M.C. the entertainment provided by the students and parents. Mrs. Unis Hoff is in charge of the dinner committee.

A picnic for the first through the fifth grades will be held on the last day of school, June 12, on the Commons. The room mothers of the school will plan the picnic at Mrs. JoAnn Marier's home on May 27th.

The P. T. A. has obtained stop signs, caps and belts for the use of the safety patrol.

At the last meeting on April 23 new officers were elected for next year. They are as follows:

President, Mr. Ernest Marier; vice president, Mrs. Mickey Day; secretary, Mrs. Caroline Howard; treasurer, Max Hoff; historian, Mrs. Marilyn Timbrel; auditors, Mrs. Mary Morris and Mrs. Marian Michener; parlimentarian, Mrs. Unis Hoff.

Everyone is cordially invited to attend the potluck dinner on May 28th and to inspect the new multi-purpose room of the school.

Less than 50 years ago the United States produced practically all of the basic materials required by industry.

MEDICAL BENEFITS MAY BE PROVIDED UNDER NEW MEASURE

SACRAMENTO — (CNS) — State employes could purchase medical and hospital care benefits through the state under AB2699, introduced in the legislature by Assemblyman Samuel R. Geddes (D-Napa).

The measure provides the insurance coverage could be secured after July 1, 1960. At present state employes may purchase group insurance only if they are members of the California State Employes Association.

The bill provides for creation of a Division of State Employes" Medical and Hospital Care in the department of finance, as well as a State Employes' Hospital and Medical Care Advisory Council, consisting of five persons appointed by the governor, to consult with and assist the division chief.

The chief would be authorized to approve and contract for plans providing the medical and hospital care benefits. Employes enrolled in the coverage could have their premiums deducted from their monthly paycheck.

Mrs. Carl Bechdolt Sr., returned to Tahoe City after a trip to southern California and the bay area. While in Los Angeles Mrs. Bechdolt visited Mrs. Henry Droste, a former Lake resident.

REFORESTATION IS URGED BY JOHNSON

WASHINGTON — Congressman Harold T. (Bizz) Johnson, second district, California, has introduced a resolution designed to accelerate previously authorized reforestation programs involving federal, state and private timber lands.

Johnson pointed out that the commercial forest lands of the United States contains approximately 489 million acres. Approxi-48 million acres of all types of lands are in need of planting in order to meet the increased demands for timber and timber products in the forseeable future.

"The chief of the forest service, in a recent report, stated that within the next ten years 48 million trees will need to be planted if the wood requirement of our growing population are to be met by the year 2000. There is sufficient authorization for this program, but we have to do more towards stepping up the program in the way of procuring funds and obtaining coordination among the federal and state agencies and private owners," Johnson said.

"I am in hopes that this resolution, which is co-sponsored by a number of other western representatives and senators, will help direct to the entire congress the need for taking necessary action to meet this serious problem. This program is of tremendous importance to the second congressional district," Johnson concluded.

Robert E. Peary discovered the North Pole on April 6, 1909.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Kenneth Grady brought his guppies to school this week. The class found them very interesting.

Steven Mitchell brought a spider in a jar. It has finally spun a web.

Gary Paddock brought his Mexican jumping beans to show to the class. His father brought them to him from Texas.

FIRST GRADE: New members of our class are: Alan Knapper, Gary Stanley and John Ratto. Our enrollment now is forty-two.

Donald Miller and Shirley Blood had birthdays this week.

SECOND GRADE: Second graders were delighted to have a student from Mr. Lude's science class to give them demonstration and science experiments. With Mr. Lude's help Larry Jellin brought equipment from the high school and demonstrated the making of oxygen. He proved the oxygen was there by various ways. Larry demonstrated air pressure by using a gallon can from which air was eliminated by boiling a small amount of water and capping it while hot.

THIRD AND FOURTH GRADES: This has been a most exciting week for our class.

Tuesday, Mr. Maynard came to our room to tell us about Indians. He brought his arrowhead collection and his spearheads. We all learned a great deal, and we thank him very much for coming.

Our room won the banner at P. T. A. Monday, so we were given a special party by the P. T. A. Board members. We had such a good time. Thanks to the P.T.A. and to our parents who helped us win by attending the meetings.

FOURTH GRADE: Outstanding grades in spelling were received by Darlene Doolittle, Gail Englehart, Beverly Holleman, Garee Lynn Stewart. In arithmetic, out standing grades were received by Gail Englehart, Beverly Holleman, Tim McLane, Marianne Moore, Terri Richards, Donna Smith, Garee Lynn Stewart, Jan Robinson, Kathy Trumbly, and Paul Robinson. Terri Richards and Garee Lynn Stewart received the highest grades in social studies. Darlynn Ingalls, Richard Purington, Billy Hobbs, and Russ Glenn, have shown considerable improvement and increased interest in their reading.

In a kick ball game the fifth and fourth grade teams battled to a 6-6 tie.

Jim Tavis and Mike Grayson brought interesting displays.

FIFTH GRADE: 'Air Age Design' was the topic of the fifth grade's art class. Outstanding airplane pictures were turned in by the following: Larry Digesti, Tom Buttrick, Dianne Pankoke, Betty Saarni, and Dave Douglas.

The fifth grade girls kickball team paced by Bety Saarni, Sherry Borden, Debbie Blair, and Joyce Randall, is rapidly rounding into shape for their game with the fourth grade.

SIXTH GRADE: Those making 100 per cent in spelling were Kenny Taylor, Marcia Leamon, Glenda Stark, Dennis Douglas, Tony Kenyon, and Susann Pribble.

We had an arithmetic test today. Those making 100 per cent were Judy McGwinn and Marcia Leamon.

We are now studying Quebec and Ontario.

KINGS BEACH

SECOND GRADE: During social studies, our class has been studying about Alaska. We saw a film titled; Alaska and its resources.

Dennis North brought his pet lizard to share with us.

Chris McDonald brought a long playing record for us to enjoy during music appreciation period.

Everyone in the class passed in their arithmetic test writing numbers by ones to two hundred. All forty-one pupils received 100 per cent in the test.

THIRD GRADE: Linda Shields has joined our class. She came from Long Beach.

All of the children are in new readers and great interest is being shown by everyone.

We are working on a unit on weather and covering the seasons, the months, the year and a day.

One row had all perfect grades in their spelling test last week.

Three place division and our 3's in mulitplication covered our arithmetic program this week.

SIXTH GRADE: We have been taking spelling tests every day so we can finish the book.

We had a social studies test last week. It was on British Columbia, Yukon and Northwest Territories.

Last week Mr. Anderson dictated a story and we took notes using the correcting spelling, capitalization and punctuation.

The motions of the planets were known to Babylonian astrologers who regarded the planets as homes of the gods.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Sunday, cold and cloudy, looks like rain. Barometers going down. No golf on our course. Tahoe City has been going strong for the past couple of weeks. Ah, well, summer is almost upon us, we hope.

SOLD

Hear through Ed Lahl that Doc Hagemann of Poco Beach has sold his property at Tahoe Vista also that preparations are in the making to build a 42 unit motel opposite the stables at Kings Beach.

ROTARY

The Rotarians took North Tahoe by storm last Friday. After registration at Crystal Bay Club, they were all dressed up in their monkey jackets and bowler hats. They sure looked cute. After the cocktail party which naturally was a big success, they went in a body to the spacious dining room of the Nevada Club to partake of a luscious banquet. My wife and I were very lucky to be guests at the delightful affair. Every day from then on were filled with entertainment. Dr. Sklar, president, proved himself to be master of the proceedings. All other members proved themselves excellent individual hosts.

FROM RICHMOND

Mrs. Ella Mae Blake and son Lloyd are up from Richmond. Mrs. Blake looked wonderful after a serious illness suffered a couple months ago. We hope she will improve still further as the summer arrives.

LODGE OPENS

The Lake Tahoe Monte Carlo Lodge is open, just watch for ads in this issue and more to come.

AT HOME FOR STAY

The Ray Davis family at their home on Brassie Ave. for a few days. Upon arriving they found some person had broken a window and had made themselves at home and as each one went to their bed room you could hear them shout someone's been sleeping in my bed just like the "three bears". That was all the damage there was, nothing taken, but feelings were hurt.

MARRIED

To hear of the marriage of our old friend, George Phillips, of Sandy Beach, was a great surprise to more of his old friends. However, all were very happy for the happy couple and say congratulations to them, may their years together be many!

BACK AT LODGE

Paul, the famous chef is going to be at the Monte Carlo again this year. That's wonderful news.

For ticket and housing information, write Olympic Winter Games, San Francisco, Calif.

RESOLUTION ASKS CAPITOL BE MOVED

SACRAMENTO—(CNS)— Should California's 100-plus-year-old state fair be moved from Sacramento to Fresno?

Two freshmen Fresno assemblymen, Bert DeLotto and Charles B. Garrigus, believed it should. They have introduced a resolution directing the Department of Finance and State Fair Board Directors to study the possibility of such a move.

"The chamber of commerce has asked for the study," DeLotto said. "After all, Fresno is the capitol of agribusiness in the state. In fact we coined the word."

"If common sense prevails, we'll make it," said Garrigus. "However, if emotion or political pressure in high places prevails, the fair won't be moved."

The state fair, at its present location, has been losing about $750,000 a year but Garrigus said he believed it could make a profit in Fresno. He said the Fresno county fair was one of the few in the state that had a profitable operation.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than 5:00 p.m. on the 5th day of June, 1959, for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

No bid will be considered unless it is made up on a form provided by the Owner and accompanied by a certified check, cashiers check, or bidders bond in the amount of One Hundred ($100.00) Dollars made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitablity of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

The grasshopper who came to dinner

What a pest! This uninvited guest eats your family's dinner while the food is still growing. Together with other insects, he destroys more than four billion dollars' worth of U. S. crops each year.

To help farmers reduce these losses, Standard's scientists are at work on new and better insecticides. Since 1907, we've developed more than 650 products for every general plant disease and insect problem . . . from home garden products to agricultural pest controls. Last year our products helped save enough food of all kinds to feed more than a million people.

While this is encouraging progress, the battle never ends. Insects are developing hardier strains which are more difficult to control. And protecting our food supply is becoming more important, for by 1970 there will be an additional 36 million people in the United States.

That's why one of our most important jobs is creating better ORTHO* pest controls. Through research that helps farmers provide more food for a growing population, ***the people at Standard are planning ahead to serve you better.***

**ORTHO pesticides and fertilizers are made by Standard's wholly-owned subsidiary, California Spray-Chemical Corp., and sold in 75 Free World countries.*

STANDARD OIL COMPANY OF CALIFORNIA

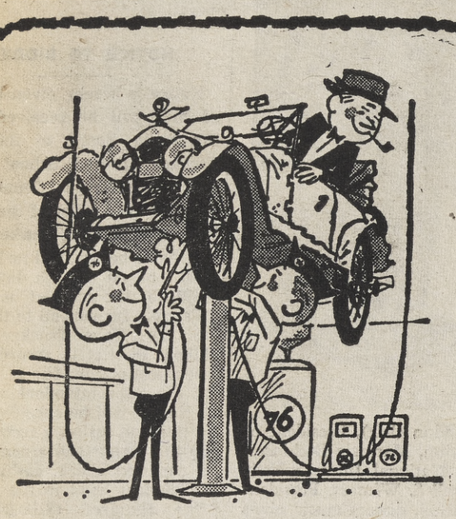
DISTRICT MEET OF VETERANS IS HELD AT CRYSTAL BAY

CRYSTAL BAY — District No. 3 convention of Veterans of Foreign Wars was held at Crystal Bay Club Sunday, May 10 with Post 7077 and Auxiliary as hosts.

Newly elected officers were installed as follows: District Post officers: Commander, Ros Stolyz, Reno; senior vice, Robert Stark, Carson City; junior vice, Ray Plunkett, Crystal Bay; chaplain, Wayne Sabien, Gerlach; quartermaster, Ernie Muller, Carson City; advocate,, Ernie Thompson, Reno.

Auxiliary district officers: president, A. Wilsliff, Carson City; senior vices, A. Shully, Reno; junior vice, H. McDowell, Reno; conductress, N. Emerson, Fernley; chaplain, P. Moore, Crystal Bay; guard, L. Sabien, Gerlach; treasurer, D. Atchinson, Carson City; trustees, I. Betty, Sparks; D. Atchinson, Reno and J. Viane, Fernley; color bearer, P. Martin, Crystal Bay.

Highlight of the meeting was a special citizens plaque awarded to Wiley Jones and presented by Senior Vice Commander Les Fry of Reno. The plaque was awarded for outstanding service to the VFW with a medal to express the thanks for the Department of Nevada. Jones is the third non-veteran to receive such an award from the department.



A bright happy chap, name of Papp
Bought what *looked* like an old rattletrap.
But Stop-Wear Lubrication
At a Union Oil station
Rattle-proofed Papp's old trap in a snap!

Who cares if cars get old, as long as they *ride* like new! *And they will,* with regular Stop-Wear Lubrication by your neighborhood Union Oil Minute Man. He guarantees in writing "No squeaks for 1000 miles." Good deal!

Sunday Evening 7:30 p.m.
The ladies' Bible study continues to meet each Wednesday afternoon from 12:30 to 2:00 in the home of Mrs. Wm. Englehart, Jr.
Before young Timothy started upon a life of service for the Lord, the Apostle Paul exhorted him to be faithful. He used four pictures of the Christian walk in the second chapter of II Timothy; these might well be applied to our experience as believers. Sunday's message will be entitled "Portraits of Faithfulness".

CHURCH OF THE MOUNTAINS
(Methodist)
John Albert Taylor, Pastor
Phone Luther 7-3637
Church School: 9:45 a.m.
Morning Worship: 11:00 a.m.
In a few days the National Safety Council will issue a statement telling us the expected number of deaths which shall occur on the highways during the Memorial Day Weekend. The total will be nauseous. Hundreds will meaninglessly and unnecessarily die. Why is it that such an acute problem is allowed to continue? Have religious concerns any insights into this problem? Pastor Taylor will discuss this subject in Sunday's sermon entitled: "Angels and Asphalt."

What Does Faith In God Mean?

By Pat O'Brien, Movie and Television Star

During World War II, I was privileged to be in an entertainment unit in the CBI. Officially, that meant the China-Burma-India Theater. We flew 68,000 air miles, stopping at remote pinpoint places to try and make our boys laugh a little. We visited spots I had never heard of before, but it was well worth the effort.

O'Brien

Having spent some time at these distant jungle outposts, I have no doubt of their existence. Along with the GI's who slugged and sweated it out there, I had seen these places myself. But most Americans believe such farflung outposts in Burma, Trinidad, the Himalayas exist because they have faith — a human faith — in the maps, and the people who have told them these distant spots are a fact.

HUMAN FAITH plays a large role in our day to day living: every time we buy a can of peas at the local store we don't expect to find diced carrots inside; each time we board a bus marked "Downtown District" we don't expect to end up at the city limits. We simply have faith that the people who packed the can of peas and the driver who is in charge of the bus are telling the truth. Without human faith it would be impossible to lead a normal life. But there is another kind of faith which is more important than human faith. This is religious faith.

RELIGIOUS FAITH, like human faith, believes on the word of another. Religious faith is belief in the truths which God has revealed to us. The foundation of this belief is the authority of God himself. If I believe what a reporter says in the paper or on television, I have reason to believe the word of God, for God is Truth.

Religious faith believes everything God has revealed to us — that He is the Creator of all things including our immortal souls and our free will; that Jesus Christ is the Son of God, the Second Person of the Blessed Trinity; that heaven is a reward for the just and hell is a punishment for the wicked. Some people find it difficult to believe in hell because they say a good God will never condemn anyone to everlasting punishment. But we're not free to pick and choose when it comes to the revelations of God. We are expected to take it all.

Millions of Americans flounder when it comes to religious faith. The truly important part of faith is that one learns some new truth or has the old truth confirmed by someone who should know. Many Americans, however, are so vague in their notion of faith that they look for faith independent of truth.

Faith in God means that we take His word for certain truths. Faith cannot be in faith itself: Faith must have an object. Faith is a mere source of knowledge. Without its connection to knowledge, there would be no such thing as faith. We have true religious faith when we believe everything that has come from the lips of God. When our people return uncompromisingly to the truths revealed to us by God, then America will be a truly religious country.

† Paulist Feature Service, Washington 17, D. C.

ACCELERATION OF SALES TAX REVEALED

SACRAMENTO—(CNS) — Cities and counties participating in the local sales tax program will receive an additional $27 million during May under an action of the State Board of Equalization providing accelerated payments.

Paul R. Leake, board chairman, said proceeds of the local sales and use tax of 1 per cent, administered and collected by the board, will be returned to cities and counties 30 days earlier.

Fresno county and its 15 cities were scheduled to participate in the tax program July 1. This will leave only seven counties—San Mateo, Santa Barbara, Alpine, Amador, Plumas, Siskiyou and Tehama—and their 36 cities which are not in the program. Their business accounts for only 3½ percent of the state total.

Tahoe Items

Both business and pleasure bent residents at Lake Tahoe are expecting a busy summer season. Arriving to join their families and friends this week include the B. F. Lancasters of Sacramento and the J. F. Stephens of Petaluma, returning to Kings Beach.

Bill Poulter wrote of a change of address from west Sacramento to Tahoma. Mr. and Mrs. G. D. Abbott, Jr., of Oakland and Mr. and Mrs. Anton J. Rodriques of Auburn are at Tahoe City.

Canada, Mexico and Peru are the foreign suppliers of zinc used in the United States.

DEVORE TO RETAIN COMMISSION POST; JOHNSON WILL QUIT

CARSON CITY — Two members of the California Nevada Interstate Compact commission, given their choice of retaining membership or giving up jobs with the commission paying $900 a month, have made their decision.

Gov. Grant Sawyer announced George Devore, a representative of the Sierra Pacific Power Co., would give up his job as the commission engineer and retain his seat as a member.

James Johnson, Reno attorney, will resign from the commission. The board, at its next meeting, is expected to retain him as a paid attorney.

Named as a new member of the commission is Graham Hollister of Genoa, a representative of the water users on the upper Carson River. He replaces Sen. Fred Settelmeyer (R-Douglas), who was forced to resign because of his status as a member of the legislature.

The Saguaro or giant cactus frequently attains a height of 50 feet and weighs between six and ten tons.

NATIONAL LP-GAS COUNCIL

PLANS ARE MADE AT FIRST MEETING OF LAKE TAHOE GROUP

STATELINE—The newly formed Lake Tahoe Area Council the central agency designed to foster and control the orderly development of the lake—came out of its first meeting as a complete organization with several concrete plans already in motion and others in the formative stages.

The five-hour meeting of the board of directors took place at Stateline, on April 27—just 10 days after the organizing meeting officially put the council in business. Presiding was Sierra Pacific Power Company executive B. E. Lowe, president of the council and chairman of its board of directors. Much of the discussion centered on developing a pattern of action which could be put into effect immediately.

As a result, several projects which were approved at the meeting have been put into active operation. They range all the way from a study of the problem of fish-stocking to plans to hold a series of conferences on new financing policies for construction.

At the same meeting, standing committee chairmen were appointed, thus implementing and activating various projects. These chairmen include Harry Marks, former mayor of Modesto, named chairmen of the organization and membership committee; E. J. Questa, president of the First National Bank of Nevada, finance chairman; Dr. Charles Armstrong, president of the University of Nevada, research chairman; Ivan Sack, supervisor, Toiyabe National Forest, operations chairman.

The fisheries project is designed to find the best program to restock the lake. Game fish in Tahoe have become far less abundant than they once were. The Council voted at the meeting to sponsor a study to find a way of producing improved fishing in Tahoe at reasonable cost.

It was brought out at the meeting that safety is becoming an increasingly important problem as the population of the lake increases. As a result, the council decided to start a plan to launch a lake-wide safety program.

Already the council is being approached to take on additional projects which are considered important to the area. One of these is a suggestion by Douglas County that it study the situation concerning the boat landing built by the highway department at Cave Rock so that action can be initiated to properly maintain and operate this orphaned facility.

Since the meeting, other moves have shaped up. One of these is a series of conferences to be sponsored by the council for builders and real-estate people. These are designated to familiarize everyone with current policies in financing which will facilitate loans for future development in the construction field, including government mortgage insurance programs.

TRUCKEE CHAMBER OF COMMERCE

SNOW DISTRICT PLAN STUDIED BY PLACER

ROSEVILLE — Road Commissioner Bruno Bacci said a study is being made of the possibility of forming snow removal districts in the eastern end of the county.

Speaking at a chamber of commerce luncheon he pointed out the development of year around activities is resulting in demands for more snow removal work.

Supervisor Thomas Doyle stated he does not see why the residents of lower Placer County should have to pay for removal of snow from roads which serve mountain cabins formerly used only during the summer.

Bacci also told the chamber members he hopes it will be possible to get subdividers in unincorporated areas to pay a larger share of the cost of road development.

"We have a pretty inadequate subdivision ordinance in the past and it has cost the county money to go in and maintain roads that were not built to the proper standards," he stated.

RESTRAINING ORDER AGAINST CUSHING SET

AUBURN — Superior Judge Lowell L. Sparks of Placer County set a hearing Friday at 10 a.m. on a temporary restraining order signed at the request of John F. Hudson and Sportshaus Westwood against Squaw Valley Development Company, Alexander C. Cushing and Howard Dawson.

The plaintiff company, of which Hudson is president, asked the defendants be enjoined from "harassing and interfering" with the operation of a business operated on property leased by Sportshaus Westwood from the Squaw Valley Development Company, headed by Cushing.

The plaintiffs charged the four year lease, which extends through the 1960 Winter Olympics is threatened by the defendants, who have changed locks on doors and removed merchandise from the premises.

The home of Edna M. Masden at Meeks Bay has been opened for the summer.

Now You Know!

The answers to everyday insurance problems*

By Beverly Wilson

QUESTION: Isn't this whole business of insurance on gigantic gambling game with the odds in favor of the insurance companies?

ANSWER: Not at all. If it were —anybody could pay. As it is, only a person who might suffer a financial loss from damage to a certain property may participate in any insurance on that property. Your neighbor cannot "gamble" with an insurance company that your house will or will not burn down unless he has some insurable interest in your house.

***If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.**

WILLING WATER SAYS -
POURING WATER INTO A RAT HOLE IS WASTE
AND DROWNING YOUR LAWN BY SPRINKLING IS WASTE
STOP WATER WASTE
©AWWA

A sprinkler with an opening ¾ inch wide, running at full pressure will use 300 gallons of water an hour. This will cover a lawn or garden space of 2500 sq. ft. with 12 tons of water in ten hours, the equivalent of one inch of rainfall. In extremely hot weather this is enough sprinkling for one week—50 tons of water a month. In cool weather sprinkle less often. If a sprinkler runs over two hours every day, it is water wasted.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

Mrs. Jess Taylor reports that her husband was called last week to the bedside of his mother, Mrs. J. H. Taylor, of Mt. Pleasant, Texas. It cannot be told at this time when he will return since the seriousness of the illness is not known. Mrs. Taylor is carrying on with her husband's business, the Water's Septic Service, as well as with her duties in the school cafeteria.

• • •

The teeenage group of Tahoe City will hold a dance this Saturday night at the Community Hall. All teenagers are invited to come. The price of a ticket is twenty-five cents per person. Phil Howard is responsible for keeping this active group going and the adults of the community are very grateful to him. As is only right for such an age group their latest name is a secret but you do not have to know what it is to go to the dance. If you are a teenster you will be welcome.

• • •

Do remember the Nursery School fashion show this Sunday at 2 p.m. also to be held at the Community Hall. Tickets may be bought at the door but the mothers concerned would be more appreciative if you bought from one of them earlier since they are planning delicious defreshments.

• • •

The last meeting of the PTA will be held Thursday night at 6:30 p.m. at the new multi-purpose room at the school. This is to be a family night with a planned pot-luck dinner as piece de resistance. Mrs. Unis Hoff is chairman of the affair and her committee consists of all other members of the PTA executive board. Aside from the installation of newly elected officers there will be no business—just fun and games for parents and children together.

• • •

Mrs. Betty Jorgensen, chairman of Room Mothers is calling a meeting of all room mothers to plan last day activities for our school youngsters. The meeting will be held May 27 at the Lake Forest home of Mrs. Joanne Marier at 10 a.m.

• • •

One more PTA word: Those beautiful pink cans of candy you have seen in the various stores are still for sale at a dollar per can. They are filled with a delicious fattening type candy and husbands and children will love it even if you women are dieting. We will continue to nag until these cans are gone!

• • •

Mrs. Nina Slade, postmaster of Tahoma postoffice, has been good enough to give me the following items of different Tahoma inhabitants. Things are humming down there and in Homewood just as they are in Tahoe City and Squaw Valley.

Jack Dempsey who has lived here many years both year round and seasonally was up for a few days opening his lakeside home this week. He has spent the winter in Santa Cruz.

Mrs. Emily Quinn also has returned for the summer to her Tahoma home. She comes up from San Diego where she was visiting her daughter, sister to Tom Quinn.

Henry Aldrich is here from Lincoln and has opened his home and has also been having good luck fishing already. His wife and family will be returning to the Lake soon.

The Tahoma Coffee Shop will again be under the management of Mr. and Mrs. Jim Gurnari of Oakland and the Piedmont-Tahoma Market right beside it will again be run by Connie Ericson. Both of these places were new ventures last year and have proved themselves.

Mr. and Mrs. Ralph Stanley are opening their Stanola Lodge this week and Mr. and Mrs. William G. Haste have removed the shutters from their home.

Truman Sunkel has been open all year round so it is rather late to say that his Tahoe Pine Lodge is open but it is and has been and looks very spring-like with its gay patio furniture out in front.

Irene's Coffee Shop will be opening soon too.

• • •

The Girl Scouts of Tahoe City held a lovely Mother's Day Program on May 13th at 3 p.m. at the Lake side home of Mrs. Don Snyder, who with Mrs. Bud Meixner has been a leader of the girls all this school year. A short program honoring mothers was held after which coffee and cake were served. A highlight of the afternoon was the presentation to the mothers of gifts which each girl had made her self. These were nick-nack shelves with scalloped edges which the girls had laboriously worked out over the weeks in the Snyder basement. Among the girls giving the tea were Joyce Anderson, Julianne Bechdolt, Alice Calhoun, Alex Cushing, Cathie Conners, Cheryl Flory, Judy Ingraham, Karen McBride, Kristin Meixner, Joan Palmer and Stephanie Snyder.

• • •

On May 27th at 5:30 the Girl Scouts with their leaders and the Brownies and the Fly UPs will all meet together for a dinner at the Tahoe Inn. This will be a program meeting at which final awards will be given. Only the girls and their leaders will attend. Mrs. John Anderson and Mrs. David McBride have been co-leaders of the Brownies while Mrs. Lynn Harper has directed the activities of the Fly Up group.

128 ATTEND GIRLS LUNCH FOR MOTHERS

KINGS BEACH — One hundred and 28 girls and their guests attended the annual Mothers Day luncheon held at Crystal Bay Club May 9 by Girl Scouts of Lone Troop No. 1 and the Brownies.

The luncheon was preceded by the saying of grace by the Brownies led by Mrs. Mally's group.

A certificate of sponsorship was presented the ladies Auxiliary of the VFW of Lake Tahoe by Mrs. Kim Molsberry and Karen Critchley. A program was presented by each Girl Scout and Brownie troop, as follows:

Girl Scout laws and Mother's Day poem; leader Pearl Martin.

Can-Can dance, Brownies, led by Mrs. Felte and Mrs. Ernesack.

Animated song "Old McDonald's Farm," Brownies led by Mrs. Shirley Baker.

Snow White and a trio of Elvis, a humorous skit; Mrs. Newell and Mrs. Sims, Girl Scout leaders.

Spring hat fashions, Planet Venus; Girl Scout leader Mrs. Howell.

Following the luncheon badge presentation for the Girl Scouts was held and 21 girls were qualified by Mrs. Howell.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned Meeting, May 8, 1959.

Present: John T. Trauner, Clerk; Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order at 10:07 a.m. by the chairman of the board and all members of the board were noted as present.

The minutes of the meeting of May 1, 1959 were read to the board by the clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

Mr. O. P. Stewart appeared before the board and presented the board with a map of the proposed Banner Mountain Estates Subdivision. A motion was made, duly seconded and passed unanimously, accepting the map and authorizing the chairman to sign the same.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the clerk to write Senator Ronald Cameron favoring the passage of Senate Bill No. 1230.

A letter signed by the doctors of western Nevada County was read to the board by the clerk wherein the doctors requested an increase be granted on autopsy fee from the present $25.00 to $60.00 per autopsy. The matter was deferred to budget sessions.

The County Clerk requested he be authorized to engage Melba Polglase as an account clerk II in his office in step B of the applicable salary range. A motion was made by Supervisor Loehr, duly seconded, authorizing the clerk to so employ Mrs. Polglase. Upon a roll call ballot, a unanimous vote was recorded.

A letter was read to the board from the law firm of Kronick and Moskovitz requesting a letter authorizing their firm to represent the board of supervisors on the hearing of AB2390. A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the clerk to write such a letter.

At the request of the Planning Commission and upon a motion made by Supervisor Smart, duly seconded and passed unanimously, Mr. W. W. Brunker was reappointed to the County Planning Commission for a full four year term, effective May 1, 1959.

A letter from Charles Weeks applying for the position of Nevada County Assistant Director, Civil Defense Office, was read to the Board and the matter was deferred. A motion was made, duly seconded and passed unanimously, calling for applications for the position of Assistant Director, office of Civil Defense, to be received by the Board of Supervisors on or before the 1st day of June, 1959.

The Board of Supervisors at this time entered into a discussion on the following budgets: Budget Code 501, Board of Supervisors in the amount of $23,520.00; Budget Code 502, County Clerk and Auditor in the amount of $34,807.00; Budget Code 503, Special Audits in the amount of $1,500.00; Budget Code 504, Treasurer and Tax Collector in the amount of $22,516.00.

At this time the Board adjourned for lunch to reconvene at 2:00 p.m.

AFTERNOON SESSION:

The board reconvened at 2:00 p.m. and all members of the board were noted as present.

Mr. Downey Clinch, Mr. C. V. Litton and his counsel, Mr. Robert Ingram, appeared as members of the Airport Commission, and discussed the problems facing the commission on the possible completion of the airport. After a lengthy discussion, a motion was made by Supervisor Smart, duly seconded and passed unanimously, accepting the engineer's specifications for the surfacing of a runway 3200 feet long by 50 feet wide. A motion was then made by Supervisor Smart, seconded by Supervisor Bishop, directing the Clerk to issue a minute order to the Purchasing Agent, directing said agent to call for bids on the surfacing of the Loma Rica Airport. Upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District pass
Supervisor Fourth District pass
Supervisor Fifth District aye

At the request of the road commissioner proposed resolution 59-25 was read to the board and a motion was made by Supervisor Loehr, seconded by Supervisor Coughlan, to adopt said Resolution. Upon a roll call ballot a unanimous vote was recorded.

The board again took up studies of Counties budget and tentatively approved the following: Budget Code 507, Coroner in the amount of $3, 165.00 Budget Code 512, primary Elections in the amount $16,100.00; Budget Code 514 Special Elections in the amount of $500.00; Budget Code 515, Registration $500.00; Budget Code 520, Trial Jurors in the amount of $8,000.000; Budget Code 521, Grand Jury in the amount of $1200.00; Budget Code 522, Law Library in the amount of $3,000.00; Budget Code 523, Court Reporter in the amount of $6,266.-00; Budget Code 525, Garbage Dump in the amount of $1,160.00.

At this time a motion was made by Supervisor Loehr, duly seconded and passed unanimously, to adjourn to meet again on May 15th at 10:00 a.m. thereof.

W. W. BISHOP
Chairman of the Board of Supervisors.

FOR HIRE TRUCKS IN STATE LEAD RAILS

SAN FRANCISCO — For-hire truck operators collected more than six times as much revenue as railroads for hauling intrastate freight in California during 1958, according to an annual tabulation by the California Public Utilities Commission.

The revenue of highway carriers totaled $557,512,993 during 1958 while that of railroads was $89,837,907. Revenues of carriers by water totaled $669,268.

Railroad intrastate freight revenues were 13.4 percent of the $668,-020,168 total compared with 14.7 percent in 1957, while the for-hire truck operators' share climbed from 85 percent in 1957 to 86.5 percent of the total last year.

The San Francisco-Oakland Bay Bridge, opened in November 1936, is the longest bridge in the world.

POLLUTION TRIAL IS SET HERE JUNE 11

Judge F. W. Wilson this week said the trial of R. D. Coates, representative of the Clements Rock Products, charged with violating a section of the fish and game code by allegedly polluting the water of the Truckee river, has been set for June 11.

The complaint, signed by Game Warden Erwin Single, was filed last fall after it was charged Coates permitted silt from the Clements plant west of here to flow into the river to damage fish life.

The case has been set over several times but this time a jury is being called. Leo Todd, deputy district attorney, is handling the prosecution and Robert A. Fugazi, recent arrival here from Walnut Creek, has been named to assist in representing Coates.

COOK BEATEN BY MASKED ROBBER

Sammy Soo Hoo, 53, cook on a Southern Pacific work car at Norden, was treated at the Tahoe Forest Hospital this morning for painful head and arm injuries suffered when he was beaten by a masked gunman at 1 a.m. today.

Hoo told Deputy Sheriff Roy F. Waters that he awoke and found the night light out. He replaced it, but a few minutes later it was again out.

When he investigated, Hoo said, the masked man shoved the gun against him. He resisted and the man beat him, breaking the rifle.

Waters, Emery Lander and Bob Schooley continued the search but late today had not found the culprit.

LUDE ATTENDS MEET OF SCIENCE TEACHERS

On May 2, C. Lude, physics and mathematics teacher at the local high school attended a California Science Teacher's meeting at Palo Alto.

Highlights of the day included a lecture-tour of Lockheed Guided Missile Laboratory and Varian Associates. While at Lockheed Lude attended an illustrated presentation by Saunders B. Kramer and Richard Byers, the LSMD scientists who planned the 94 foot, 400 ton satellite space station designed to carry a crew of 10 men. G. Beauchamp, one of Lockheed's environmental engineers, discussed the space medicine aspects of the project. 1969 is the target date for placing the first three men in orbit.

The California Science Teachers Association (Northern Section) is a professional science teacher organization with a membership of over 400 drawn from the junior high school, senior high school, and collegiate levels of Northern California.

LUNARDI ASKS FOR EMERALD BAY STUDY

Assemblyman Paul J. Lunardi called for a complete study by the State Publis Works Department of possible routes for an all-year highway route around Emerald Bay at Lake Tahoe.

Lunardi unsuccessful earlier in seeking a highway bridging the scenic bay, made the proposal in a resolution.

The resolution terms the present road, which is closed most of the winter by snow and land slides, "narrow, crooked and dangerous."

Nevada Will Delay Olympic Use Fund

William Cashill, a member of the Nevada Olympic Commission told a meeting of the Reno Bowl Recreation Association Monday night that he had informed Jack Rubin, executive secretary of the California Olympic Commission, that the NOC would not write the California organization a blank check for $200,000 until plans for Slide Mountain have been presented.

The Nevada legislature recently appropriated an additional $200,000 to assist in financing the 1960 Olympic Winter games at Squaw Valley.

Slide Mountain was named by the California committee as an alternate site for the men's downhill in event Squaw Valley facilities were not adequate because of weather or snow conditions.

California is expected to announce plans for the Nevada facility by June 15, Cashill told the meeting.

Gordie Wren, a member of the technical staff and an advisor to the NOC, said the Squaw Valley operation "needs millions, not 200,000 bucks." He outlined the requirements for a satisfactory course and said there would be only one chance in 1000 that the Nevada site would be required next February.

Veteran skier and sports scribe Bill Berry urged the group to spend the money on Slide Mountain. "I can't see any possibility of putting the hill in shape for less than $175,000 to $219,000," he said. "I believe most of this (appropriated) money should come back to Nevada. California has to raise money, yes, but that's their headache, not ours."

Clarence Jones, chairmaning the meeting, summed up the discussion by pointing out the problem was two-fold — immediate Olympics worries and long-range development of the area as a park. So saying, he appointed the two committees and recessed the group to meet again following the FIS meeting in Stockholm June 5.

THREE NEW MEMBERS FOR VFW AUXILIARY

CRYSTAL BAY — Three new members, Helen Faulkner, Connie Morrell and May Murray, were accepted into the Auxiliary of VFW Post 7077 at the regular meeting May 13, bringing the membership to 47. President Sophia Levra presided at the meeting held at Crystal Bay Club.

Pearl Francis was appointed as representative for the auxiliary on the North Tahoe Council for Youth Recreation.

One of the projects to be undertaken by the group this year will be to make doll outfits for the girls in Weimar Chest Center.

Buddy Poppy chairman Virginia Kornazewich reported plans for the sale for the Kings Beach-Tahoe City area Saturday are complete. Hours of the sale will be from 8:30 to 5:30 or until all the poppies are sold. An all-out effort will be made to make this the biggest sale ever held here.

The final social meeting of the auxiliary until September will be held Wednesday, May 27 at 8 p.m. in the home of Mrs. Jeanette Cinani at Tahoe Vista.

Following last week's meeting refreshments were served by the hostess, Mrs. Wanda Brooks.

The Panama-Pacific International Exposition at San Francisco in 1915 commemorated opening of the Panama Canal.

FIRE CLOSURE LAWS EFFECTIVE JUNE 1

H. E. Branagh, forest supervisor, Tahoe National Forest, states that fire closure laws will become effective June 1.

Branagh reports that the regional forester, U. S. Forest Service, under authority vested in him by the secretary of agriculture for the purpose of enforcing regulations, has declared a period of fire hazard and danger to exist upon all lands of the United States within the Tahoe National Forest between the dates of June 1 and October 31, 1959, inclusive, and has authorized the forest supervisor to place the following restrictions in effect as of June 1,

Paragaph (E): Phohibits the building of camp fires on national forest land within the Tahoe National Forest without obtaining a permit. Permits are required whether the fire is in the open or in a trailer, and can be secured from forest officers, California Division of Forestry offices, California Automobile Association and other designated agents.

Paragraph (H): Except where they may conflict with more restrictive county ordinances, in which case the respective county ordinance shall be applicable, the following rules will govern smoking on national forest land:

(a) Smoking is prohibited while traveling on foot, cycle, or domestic animals, in grain, grass, stubble, brush, timber or other inflammable vegetative cover in areas posted against smoking.

(b) Smoking is permitted as follows: (1) In improved campgrounds. (2) Inside vehicles on roads.

(3) At places of habitation.

(4) While stopped in a cleared or barren area at least three feet in diameter provided, however, that in all instances burning and glowing substances are completely extinguished before discarding.

Paragraph (L): Prohibits the discharge of fireworks on national forest land, or the placing or throwing of a burning cigarette, cigar, match, pipe heel, firecracker, or any ignited substance in any place where it may start a fire.

Paragraph (O): Prohibits the possession, or firing, or causing to be fired any tracer bullet or tracer charge onto or across such lands.

Forest Supervisor Branagh states with the very light amount of precipitation this past winter, the woods will be extremely dry with very high fire danger. He urges all forest users to be extremely careful with fire at all times.

Slide Mountain To Be Alternate Site

Jack Rubin, executive secretary of the California Olympic Commission in San Francisco, said yesterday that the Stateline Aerial Tramway corp., a firm selling stock in promotion of a planned ski area at East Peak, on the south shore of Lake Tahoe, has been asked to publicly deny reports that the site for the alternate men's downhill has been shifted from Slide Mountain to the site they are promoting.

A widely circulated report, reportedly coming from the tramway corporation, apparently had its inception in a recent meeting during which Olympic officials advised officers of the corporation that when and if their project was completed, it might be recommended as a second alternate site.

Rubin said the news story was false and that there had been no meeting in Los Angeles, as the story related, but only an unofficial discussion.

As a matter of fact the commission meeting in San Francisco last week heard nothing of the matter and no suggestion of any change in the alternate site during the Olympic games was made.

Also spiked was the rumor that East Peak had been named the preferred downhill site, moving that race from Squaw Valley. Willie Schaeffler, director of ski events for the games, said the Squaw Peak men's downhill run was "well above minimum requirements for the Olympic Games."

He termed the run longer and tougher than the runs used in some past Olympic competitions.

The Nevada Highway Department recently announced that State Highway 27, the Mt. Rose Road, would not be kept open during the games due to excessive cost. This is the shortest route between Squaw Valley and Slide Mountain, although access to the Reno Ski Bowl area at Slide is maintained each year from U. S. Highway 395.

The tramway corporation presumably constructed the highway department's announcement to mean no access road to Slide Mountain would be open. A mimeographed sheet has been circulated in California and Nevada the last few days indicating Nevada had turned down the course. Advertisements promoting sale of stock in the tramway corporation appeared in California newspapers almost simultaneously.

The Los Angeles report which said the downhill site had been changed indicated construction of the tramway has started. Officials of the Toiyabe National Forest said no construction plans have been filed with headquarters here and explained such plans must be filed before construction can begin. The tramway firm has obtained a permit for operation of the tramway and conducted a preliminary survey.

License To Wed—

Nolan S. Campbell 32, Truckee and Dorothy Robinson 27, Marysville were issued a Minden, Nevada marriage license.

Family Party—

The May 15 birth date of Mrs. Roxie Archie was the incentive for a family party.

Storkman Guests—

Mr. and Mrs. William Storkman of Donner Lake had as their house guests this week, Mr. and Mrs. R. Blum of Woodland.

CARD OF THANKS

I would like to express my sincere gratitude for the many kind expressions made by our many friends, during my recent bereavement caused by the loss of my wife.

"Butch" The Sierra Beaver Sez:

If you should see a young dragon in the woods, do not be alarmed. These very useful dragons were brought to the United States from China to consume sawmill waste. They do this by eating the slabs and sawdust, and burning it inside their stomachs. Only the smoke can come out of their nostrils, because standard spark arrestors have been installed in their noses. In spite of their looks, they are of a very gentle nature, and the dragon's usefulness in keeping the forest clean of debris has brought about the placing of young dragons on the protected closed season list.

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5:00 p.m. on June 5, 1959, for certain musical instruments, furniture equipment, athletic equipment and kitchen equipment, in accordance with the List and Specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California; all prospective bidders are hereby referred to said list and specifications.

Said bids will be publicly opened and read aloud at the above stated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten per cent (10%) of the amount of the bid, made payable to Tahoe-Truckee School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidder shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. In addition, said certified check or money order shall be given as a guarantee of complete delivery on or before August 1, 1959, and will be declared forfeited if delivery is not completed on or before that date.

Substitutions shall be given in detail on bidders' stationary.

Bidders may bid on all, or less than all, of said list, but bids will not be accepted for less than all of any one item. Delivery must be made F. O. B. to the Tahoe Truckee High School, Truckee California, in the quantities indicated.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

JACK FELTE
President of the Governing Board
Tahoe-Truckee Unified School District.

IN A PRIMEVAL RIVER'S DRY CHANNEL "ALL THAT GLITTERS" CAN BE- TREASURE!

THE JUNGLE RIVER'S PEACE OFFERING.

TARZAN'S RUSH TO CIVILIZATION WAS THREATENED BY THE TORRENTIAL JUNGLE RIVER. THEN, OVERNIGHT, THE CHANNEL DRIED... AND IN ITS "POTHOLES" WERE FOUND GOLD NUGGETS-- AND DIAMONDS!

BILL ELLIOTT JOHN CELARDO

I HOPE NOBODY DISCOVERS THIS RIVER'S TREASURE BEFORE I CAN RETURN AND LOCATE THE SOURCE OF ITS GOLD AND DIAMONDS...

A FABULOUS WEALTH YOU MAY FIND, AND DESERVE, TARZAN-- AFTER YOU'VE HELPED ME GET OUT OF THIS JUNGLE, TO AMERICA! CIVILIZATION'S SAFETY DEPENDS ON MY ALERTING AMERICAN SCIENTISTS... BEFORE IT'S TOO LATE!

I THINK WE'VE ENOUGH NUGGETS NOW, PROFESSOR, TO LET YOU CHARTER A PLANE FOR THE UNITED STATES! LET'S GET ON OUR WAY AGAIN!

TARZAN! I'VE FOUND A VERY BIG DIAMOND!

A MAGNIFICENT GEM, ITO!

WE MUST KEEP THIS DISCOVERY SECRET! WE DON'T WANT ANY DIAMOND RUSH INTO THIS JUNGLE INTERIOR!

I MUST GET TO WASHINGTON WITHOUT ANY PUBLICITY, TARZAN! ENEMY SCIENTISTS HAVE WORLD-WIDE AGENTS! THEY'LL SEARCH FOR ME, AS SOON AS THEY DISCOVER MY ESCAPE WITH THEIR SECRETS!

THERE'S HARDLY ANY WATER GOING OVER THE FALLS, NOW, TARZAN!

5-24

MY KNOWLEDGE OF THEIR PLANS IS MY DEATH SENTENCE! MY MICROFILM EVIDENCE MUST REACH CIVILIZED SCIENTISTS!

I GUARD YOU, PROFESSOR, WITH MY OWN LIFE - AND LITTLE ITO'S!

Copr. 1958 Edgar Rice Burroughs Inc. Tm. Reg. U. S. Pat. Off. Distr. by United Feature Syndicate, Inc.

I MUST BRING TARZAN HERE, QUICK! THERE'S MEN DOWN THERE! MAYBE ENEMIES!

NEXT SUNDAY: TARZAN'S NEW PROBLEM.

Abbie an' Slats

Featuring BATHLESS GROGGINS

by RAEBURN VAN BUREN

BATHLESS HAS ADVISED THIS GORGEOUS AND BRAINY HUNK OF FEMININITY THE WAY TO WIN A MAN IS TO ACT SO DUMB — HE LOOKS LIKE A GENIUS!

I BEG YOUR PARDON, I WONDER IF YOU CAN TELL ME THE TIME?

LET ME SEE, IT MUST BE ABOUT ONE-THIRTY-

YOU WONDERFUL, INTELLIGENT, BRILLIANT, DEVASTATING, GLAMOROUS MAN!! ONE-THIRTY — WHAT A SUPERB SENSE OF TIMING YOU HAVE!

B-BUT (GASP) ALL I DID-

ALL YOU DID WAS TURN A POOR LITTLE GIRL'S HEAD! IT WASN'T ONLY WHAT YOU SAID- IT WAS THE (SIGH) HEAVENLY WAY YOU SAID IT!

THE WAY I-I SAID IT?

ONE-THIRTY — THAT'S PRECISELY THE WAY I SAID IT-

YOU'VE DONE IT AGAIN. WHAT DELIVERY! WHAT POISE! --WHAT--

--WHAT A GLORIOUS SENSE OF HUMOR! A GIRL WOULD BE LUCKY IF YOU JUST GLANCED AT HER WITH THOSE SOULFUL EYES OF YOURS!

IF YOU'LL EXCUSE ME — I JUST REMEMBERED SOMETHING I HAVE TO DO!!

ESCAPE!

Tm. Reg. U. S. Pat. Off.—All rights reserved Copr. 1959 by United Feature Syndicate, Inc.

SO, ALL I HAD TO DO TO WIN A MAN WAS TO MAKE A FOOL OF MYSELF SO HE'D LOOK LIKE A SUPERBRAIN, EH?

WELL, HONEY — THERE'S EXCEPTIONS TER EVERY RULE!

A (GROAN) HUNK O' ADVICE I OUGHTER GIVE MYSELF IS THIS: NEVER GIVE NO ADVICE TO NO ONE - ESPECIALLY IF NO ONE IS A (SIGH) FEMALE!

Fritzi Ritz

By ERNIE BUSHMILLER

OH, PHIL,---WILL YOU DROP OVER FOR A MINUTE?

SURE

PHIL---WILL YOU GO OUT AND GET ME TWO CANS OF ALPHABET SOUP?

WHAT FOR?

I'M HAVING THE NEIGHBOR'S CHILDREN IN FOR DINNER AND THEY'RE CRAZY ABOUT ALPHABET SOUP

SORRY---WE'RE ALL OUT OF ALPHABET SOUP

I'LL TRY ANOTHER STORE

SORRY---WE HAVEN'T ANY

ALL OUT OF IT

I'VE TRIED EVERY STORE IN TOWN

I HAD TO GET PLAIN SOUP--- THEY DIDN'T HAVE ALPHABET

DON'T WORRY--- I FOUND SOME LEFT-OVER NOODLES

STOP COMPLAINING

Buttons

by SAM LEFF

HEY, PAL- WAIT!!

?

THIS BOOK SAYS PEOPLE LOOK LIKE THE DOGS THEY OWN, GOLIATH!

PHOOEY... THAT'S NOT TRUE, BUTTONS!

I'LL BET SHE OWNS A DALMATION...

HA-HA... COULD BE!

Copr. 1959 by United Feature Syndicate, Inc.

WHAT ABOUT HIM?

A ST. BERNARD

HIM?

NATURALLY- A POLICE DOG...

THIS TIME YOU'RE STUCK... YOU CAN'T TELL ABOUT THAT SAD-FACED MAN!

UH... EASY~ HE OWNS A COLLIE...

YES~ BUT WHAT KIND?

TEE-HEE... A MELANCHOLY!

SAM LEFF~

Archie

by BOB MONTANA

JUGHEAD! WE DON'T HAVE BAND TODAY! WHY ARE YOU BRINGING YOUR TROMBONE?

THIS IS MY *LUNCH*, LUNKHEAD! IT'S A HERO SANDWICH!

LUNCH! *HOLY SMOKES!* I FORGOT TO BRING MINE!

ROUGH, ROGER! KEEP YOUR GRUBBY HANDS OFF MY LUNCH!

LUCKY I HAD TIME TO BUY A PIE AT THE BAKERY!

RINNG

JUGHEAD, WHAT'S IN THE BUNDLE?? A JUNIOR MISSILE?

IT'S A HERO SANDWICH! *HEH, HEH!* AND GUESS WHAT? ARCHIE **FORGOT** *HIS* LUNCH!

HERE, ARCHIE! JUGHEAD SAID YOU FORGOT YOUR LUNCH

GEE! THANKS, BETTY!

HERE, ARCH! I WEAKENED! I HAD TO CUT NINE INCHES OFF.... IT WOULDN'T FIT IN MY DESK!

I'M GOING TO EAT AT THE HEALTH BAR WITH BETTY! YOU CAN HAVE MY LUNCH!

ARCHIE, YOUR FATHER DROPPED YOUR LUNCH OFF THAT YOU FORGOT!

LUNCH TIME

ARCHIE?!

MISS GRUNDY CHANGED OUR SEATS TODAY, AND I FORGOT TO MOVE MY LUNCHES!

HEALTH BAR

WHO GOT *YOUR* SEAT?

I- DUNNO! WHEN I WENT BACK HE WAS GONE!

MAKE WAY! *MAKE WAY!!*

STEAM HEAT FUM UNDERGROUND! SOME ISLAND, EH?

A AUTOMATIC EGG COOKER! UND DO I HAFF A APPETITE!

HALP!

GWAAAK-

WAK-WAK-WAK-

OOK?

PHOOM!

OH-OH! AN UNDERWATER VOLCANO!

R. DIRKS - 5/24

STRANGE as it seems

ELSIE HIX

AN OIL FIELD FIRE STARTED A TORNADO!

THE INRUSH OF COLD AIR WAS SO GREAT IT CREATED A WHIRLWIND THAT REACHED THE MAGNITUDE OF A TORNADO...

IT KILLED 2 MEN AND DESTROYED BUILDINGS HALF A MILE AWAY!

-San Luis Obispo, Calif., 1926-

PAVLOVA-- GREAT RUSSIAN DANCER, TRAVELED 9,000 MILES FROM EUROPE, UP THE AMAZON TO MANOS, Brazil, TO APPEAR BEFORE 1,200 RUBBER BARONS AT $1,000 A PERFORMANCE!

-1890's-

3-LEGGED COYOTES ARE MORE DESTRUCTIVE THAN 4-LEGGED ONES... THEY DEPEND ON LIVESTOCK INSTEAD OF WILD ANIMALS FOR THEIR FOOD

The Toodles

by Gus Baers

5/24

ALL OUR FRIENDS ARE LOSING THEIR TEETH, AND ME AND PENNY HAVEN'T LOST EVEN ONE--

I'VE GOT TWO LOOSERS-- BUT THEY WON'T COME OUT!

I HAVE ONE-- AN' I'M GONNA ASK THE DENTIST ABOUT IT TODAY!

DID THE TOOTH FAIRY EVER COME TO SALLY AND LARRY, MOM?

YES-- WHENEVER THEY LOST A TOOTH THEY PUT IT UNDER THEIR PILLOWS AND THE TOOTH FAIRY LEFT THEM MONEY.

©1959, Field Enterprises, Inc. All rights reserved Reg. U. S. Pat. Off.

I WANNA BE FIRST TODAY--

YOU CAN'T BE, PENNY-- YOU WERE FIRST THE LAST TIME--

I WANT TO BE FIRST 'CAUSE I HAVE TWO LOOSERS AND YOU ONLY HAVE ONE--

WHAT ODD CHILDREN! I NEVER HEARD OF ANYONE FIGHTING TO BE FIRST IN A DENTIST'S CHAIR--

WILL YOU PLEASE PULL THIS TOOTH TODAY DOCTOR? IT'S REAL LOOSE!

IT'S NOT LOOSE ENOUGH, PAT.

WHY CAN'T YOU PULL IT ANY-WAY?

BECAUSE IT WON'T BE READY TO COME OUT FOR SEVERAL WEEKS-- WHY ARE YOU SO ANXIOUS TO HAVE IT PULLED NOW?

'CAUSE I'M A LITTLE SHORT OF CHANGE THIS WEEK!

THANKS TO ELIAS LISMAN 1034 Clinton Ave. Irvington, N. J.

Send in your Toodle Twins
